1.43 “*Sheldon Class Members*” means all persons and entities that are included in the *Sheldon Class*.

1.44 “*Sheldon Settlement Fund*” means the portion of Settlement Fund, specified in Paragraph 1.38, allocated as consideration for the *Sheldon Class*. Other than pursuant to Paragraphs 5.6 and 11.14 of this Agreement, no portion of the Settlement Fund may revert to KCL.

1.45 “Unknown Claims” means any Claims asserted in the Action or the Related Actions, that might have been asserted in the Action or the Related Actions, or that may later be asserted arising out of the facts, transactions, events, occurrences, acts, disclosures, statements, omissions, or failures to act that were alleged in the Action or the Related Actions that Plaintiff or any Settlement Class Member or *Sheldon Class Member* does not know or suspect to exist in his or her favor at the time of the entry of the Order and Judgment, and which if known by him or her might have affected his or her decision to opt out of or object to the Settlement. With respect to any and all Claims described and released under Paragraphs 1.29, 3.1, and 3.2, the Parties stipulate and agree that, upon the Final Settlement Date, Plaintiff and each Settlement Class Member and *Sheldon Class Member* understand that they have and shall be deemed to have, and by operation of the Order and Judgment shall have, expressly waived and relinquished, to the fullest extent permitted by all applicable law including without limitation the provisions, rights, and benefits of Section 1542 of the California Civil Code which provides:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

PLAINTIFF AND EACH SETTLEMENT CLASS MEMBER, UPON THE FINAL SETTLEMENT DATE, SHALL BE DEEMED TO HAVE, AND BY OPERATION OF THE ORDER AND JUDGMENT SHALL HAVE, WAIVED ANY AND ALL PROVISIONS, RIGHTS, AND BENEFITS CONFERRED BY ANY LAW OF ANY STATE OR TERRITORY OF THE UNITED STATES, OR PRINCIPLE OF COMMON LAW, WHICH IS SIMILAR, COMPARABLE, OR EQUIVALENT TO SECTION 1542 OF THE CALIFORNIA CIVIL CODE. PLAINTIFFS AND SETTLEMENT CLASS MEMBERS MAY HEREAFTER DISCOVER FACTS IN ADDITION TO OR DIFFERENT FROM THOSE THAT THEY NOW KNOW OR BELIEVE TO BE TRUE WITH RESPECT TO THE SUBJECT MATTER OF THE RELEASED CLAIMS, BUT PLAINTIFFS AND EACH SETTLEMENT CLASS MEMBER, UPON THE FINAL SETTLEMENT DATE, SHALL BE DEEMED TO HAVE, AND BY OPERATION OF THE ORDER AND JUDGMENT SHALL HAVE, FULLY, FINALLY, AND FOREVER SETTLED AND RELEASED ANY AND ALL RELEASED CLAIMS, KNOWN OR UNKNOWN, SUSPECTED OR UNSUSPECTED, CONTINGENT OR NON-CONTINGENT, WHETHER OR NOT

CONCEALED OR HIDDEN, WHICH NOW EXIST, OR HERETOFORE HAVE EXISTED UPON ANY THEORY OF LAW OR EQUITY NOW EXISTING OR COMING INTO EXISTENCE IN THE FUTURE, INCLUDING, BUT NOT LIMITED TO, CONDUCT THAT IS NEGLIGENT, INTENTIONAL, WITH OR WITHOUT MALICE, OR ANY BREACH OF ANY DUTY, LAW, OR RULE WITHOUT REGARD TO SUBSEQUENT DISCOVERY OR EXISTENCE OF SUCH DIFFERENT OR ADDITIONAL FACTS. PLAINTIFFS AND EACH SETTLEMENT CLASS MEMBER AGREE THAT THIS IS AN ESSENTIAL TERM OF THE RELEASE.

1.46 The terms “he or she” and “his or her” include “it” or “its” or “their,” where applicable. Defined terms expressed in the singular also include the plural form of the term, and vice versa, where applicable.

1.47 All references in this Agreement to sections and paragraphs refer to sections and paragraphs of this Agreement, unless otherwise expressly stated in the reference.

1.48 For clarity, unless otherwise specified, the intent of the Parties is for the Court in the Action to make all necessary approvals and awards under Federal Rule of Civil Procedure 23 related to the Settlement Class and Settlement Class Members and for the Court in the *Sheldon* Action to make all necessary approvals and awards under Missouri Supreme Court Rule 52.08 related to the *Sheldon* Class and *Sheldon* Class Members. This Agreement should be interpreted consistent with that intent, and, when a(n) right, event, condition, or obligation under this Agreement is required or granted in the Action, it is intended that it applies to the Action; likewise, when a(n) right, event, condition, or obligation under this Agreement is required or granted in the *Sheldon* Action, it is intended that it applies to the *Sheldon* Action. Thus, certain defined terms,

unless specified otherwise below, may have two meanings: for example, when the Preliminary Approval Date in the Action occurs, the obligations that are triggered from that event are those obligations related to the Action (unless otherwise specified) and when the Preliminary Approval Date in the *Sheldon* Action occurs, the obligations that are triggered from that event are those obligations related to the *Sheldon* Action (unless otherwise specified). Notwithstanding this clarification, however, the Final Settlement Date as defined in Paragraph 1.16 requires entry of the Order and Judgment in both the Action and the *Sheldon* Action, consistent with the Parties intent that a condition of the Settlement is the final approval in both actions.

2. Settlement Relief

2.1. On or within one (1) business days after the Preliminary Approval Date in the Action, Class Counsel shall provide to KCL written confirmation of all necessary information to complete the wire transfers of any funds due from KCL pursuant to the Settlement into the Settlement Fund Account. Within ten (10) business days of the Final Settlement Date, KCL shall fund the Settlement Fund (LESS any amounts transferred prior to the Final Settlement Date) in full by wire transfer into the Settlement Fund Accounts. On or within ten (10) business days after the Preliminary Approval Date, KCL shall wire transfer one hundred thousand dollars (\$100,000.00) into the Settlement Fund Account as an advance to fund costs actually incurred, including the costs of notice, arising out of the administration of this Agreement.

2.2. The Net Settlement Fund shall be distributed to the Settlement Class Members and to *Sheldon* Class Members pursuant to the Distribution Plan in the form approved by the Court. Any such revision required to obtain Court approval shall not constitute an amendment or modification to the Agreement subject to Paragraph 11.13.

2.3. To the extent Class Counsel requires additional data in order to apply the approved Distribution Plan, they shall request such data from KCL on or prior to twenty-one (21) days after

the Preliminary Approval Date. To the extent the requested information is available to it, KCL shall provide the requested data for the Settlement Class and the *Sheldon* Class, to the extent such data is needed, on or before an agreed upon date to be negotiated with Class Counsel. Within 30 days after the Final Settlement Date, the Settlement Administrator shall calculate each Settlement Class Member's and *Sheldon* Class Member's distribution pursuant to the Distribution Plan and deliver to each person or entity by U.S. mail, first-class postage prepaid, a settlement check or other mechanism of payment in the amount of the share of the Net Settlement Fund to which the Settlement Class Member or *Sheldon* Class Member is entitled pursuant to the Distribution Plan. Settlement payments will be automatically delivered without any proof of claim or further action on the part of the Settlement Class Members or *Sheldon* Class Members.

2.4. Checks shall remain negotiable for 180 days from the date of mailing. Checks not cashed during this time will be canceled and amounts of canceled checks will be sent by the Settlement Administrator to the unclaimed property division of each state in which each such Settlement Class Member was last sent Class Notice or distributed as otherwise ordered by the Court. Checks shall be re-issued by the Settlement Administrator if such requests are received from Settlement Class Members or *Sheldon* Class Members before the transfer to the unclaimed property divisions has occurred. KCL shall have no obligations or responsibility relating to the redistribution or reissuance of any canceled checks or the transmission of any amounts of canceled checks.

2.5. The Parties agree that if the Court finds that the Distribution Plan submitted by Class Counsel is not fair and reasonable, and refuses to approve the Settlement on that basis, Class Counsel may, in consultation with KCL, modify the Distribution Plan to resolve the issue to the satisfaction of the Court, and any such modification shall not constitute an amendment or

modification of this Agreement. In no event will any modification to the Distribution Plan change KCL's obligations under Paragraph 1.38 or any other provision of this Agreement.

3. Releases and Waivers

3.1. Upon the Final Settlement Date and KCL's wiring of the Settlement Fund amount (less the one hundred thousand dollar (\$100,000.00) advance) provided by Paragraph 2.1, the Releasing Parties shall be deemed to have, and by operation of the Order and Judgment shall have, fully, finally, and forever released, relinquished, and discharged the Released Parties of and from all Released Claims.

3.2. As part of the consideration for the benefits conveyed pursuant to Paragraphs 1.38 and 2.1 through 2.5, the Releasing Parties agree and understand that, among the Released Claims in the Agreement, KCL may continue to use Cost of Insurance Rates equal to or lower than the Cost of Insurance Rates in effect as of the date of the Settlement Agreement, and KCL may continue to use and adjust Cost of Insurance Rates as set forth and described in Paragraphs 1.14 and 1.30 of the Agreement.

3.3. Upon the Final Settlement Date, the Releasing Parties shall be deemed to have, and by operation of the Order and Judgment shall have, waived any and all Released Claims against the Released Parties and shall be barred from asserting such claims again in any venue for any purpose.

3.4. Nothing in this Section 3 shall preclude any action to enforce the terms of this Agreement.

3.5. The scope of the Released Claims or Released Parties shall not be impaired in any way by the failure of any Settlement Class Member or *Sheldon* Class Member to actually receive the benefits provided for under this Agreement.

3.6. The Parties acknowledge that the release provisions in this Section 3 constitute essential terms of this Agreement.

3.7. The Parties acknowledge and expressly agree that the release provisions in this Section 3 shall be, and may be raised as, a complete defense and bar to and will preclude any action or proceeding encompassed by the Released Claims.

4. Notice to the Settlement Class and *Sheldon* Class

4.1. Subject to the requirements of any orders entered by the Court, and no later than 45 days after the Preliminary Approval Date or the date the Court approves the Class Notice plan, whichever is later, the Settlement Administrator will mail a Class Notice by first-class mail to the addresses on the Notice List. If more time is needed to prepare the Notice List and mail Class Notice, the Parties will agree on another date for mailing the Class Notice, unless otherwise ordered by the Court.

4.2. The mailing of a Class Notice to a person or entity that is not in the Settlement Class or *Sheldon* Class shall not render such person or entity a part of either Class or otherwise entitle such person to participate in the Settlement.

4.3. KCL will deliver the Notice List to the Settlement Administrator within twenty-one (21) days following the Preliminary Approval Date. This Notice List shall be designated Confidential Information.

4.4. The Settlement Administrator will run an update of the last known addresses provided by KCL through the National Change of Address database before mailing the Class Notice. If a Class Notice is returned to the Settlement Administrator as undeliverable, the Settlement Administrator will: (i) re-mail any Class Notice returned with a forwarding address; and (ii) make reasonable attempts to find an address for any returned Class Notice that does not include a forwarding address. The Settlement Administrator will re-mail the Class Notice to every person and entity in the Notice List for which it obtains an updated address. If any member of the Settlement Class or

Sheldon Class is known to be deceased, the Class Notice will be addressed to the estate of the policyholder as designated in the Policy or Policies

4.5. Within seven (7) days after the Notice Date, the Settlement Administrator shall provide the Parties with one or more declarations confirming that notice was completed in accordance with the Parties' instructions and the Court's approval. Class Counsel shall file such declaration(s) with the Court as an exhibit to or in conjunction with the motion for final approval of the Settlement.

4.6. The Settlement Administrator will establish, maintain, and update a Settlement Website to provide relevant information to the Settlement Class and the *Sheldon* Class, including links to important documents relating to the Settlement.

4.7. The Agreement may be amended by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest, as provided in Paragraph 11.13. Unless otherwise ordered by the Court, notice of any such amendment will be provided to the Settlement Class and *Sheldon* Class through the Settlement Website.

5. Responses to Class Notice

5.1. The Class Notice shall advise members of the Settlement Class of their right to opt out of the Settlement and the manner required to do so. They may opt out of this Settlement by serving a written notice on the Settlement Administrator postmarked no later than 60 days after the Notice Date, or such other date determined by the Court. The Settlement Administrator shall notify the Parties of the receipt of any written opt-out notice.

5.2. To be in proper form, the opt-out notice must include: (i) the member of the Settlement Class's full name, current address, telephone number, e-mail address, and Policy number; (ii) a clear statement that he, she, they, or it elects to be excluded from the Settlement Class and does not want to participate in the Settlement; and (iii) be signed by the member or by

a person providing a valid power of attorney to act on behalf of the member. If there are multiple owners of a Policy, all owners must sign unless the signatory holds and submits a copy of a valid power of attorney to act on behalf of all then-current owners of the Policy.

5.3. Every member of the Settlement Class that does not file a timely and proper written opt-out notice will be bound by all subsequent proceedings, orders, and judgments in the Action.

5.4 The *Sheldon* Class shall not be provided a further opportunity to opt-out of the class, having been provided such an opportunity after the *Sheldon* class was certified for litigation purposes, unless the Court requires a further opportunity to opt-out.

5.5. The Class Notice shall advise the Settlement Class and the *Sheldon* Class of their right to object and the manner required to do so. Any Settlement Class Member or *Sheldon* Class Member may object to this Settlement by serving a written objection on the Settlement Administrator postmarked no later than 60 days after the Notice Date, or such other date determined by the Court. Unless otherwise ordered by the Court, the objection must contain: (1) the full name, address, telephone number, and e-mail address, if any, of the Settlement Class Member or *Sheldon* Class Member; (2) the Settlement Class Member's or *Sheldon* Class Member's Policy number; (3) a written statement of all grounds for the objection accompanied by any legal support for the objection (if any); (4) copies of any documents upon which the objection is based; (5) a list of all persons who will be called to testify in support of the objection (if any); (6) a statement of whether the Settlement Class Member or *Sheldon* Class Member intends to appear at the Fairness Hearing; (7) a statement whether the objection applies only to the objector, to a specific subset of the class, or to the entire class, including whether the objection is directed to the proceedings in the Action or the *Sheldon* Action; and (8) the signature of the Settlement Class Member or *Sheldon* Class Member or his or her counsel. The written objection must also identify all attorneys representing the objecting Settlement Class Member or *Sheldon* Class Member, including any attorney who will appear at the

Fairness Hearing. Unless otherwise ordered by the Court, Settlement Class Members or *Sheldon* Class Member who do not timely object as provided in this Paragraph will be deemed to have waived all objections and shall not be heard or have the right to appeal approval of the Settlement. The Settlement Administrator shall promptly provide the Parties with copies of all objections.

5.6. Notwithstanding anything in this Agreement, if the total dollar amount for payments of members of the Settlement Class who properly and timely exercise their right to opt out of the Settlement exceeds an amount set forth in a separate confidential agreement between the Parties executed and delivered with execution of this Agreement, KCL will have the right, in their sole and absolute discretion, but not the obligation, to withdraw from the Settlement and terminate the Agreement in writing no later than fourteen (14) days after receiving the final number of opt outs from the Settlement Administrator without penalty and without prejudice to its position on the issue of class certification or any other issue in the Action. If KCL exercises its right to terminate under this provision, the Parties will be restored to their position existing immediately before the execution of this Agreement with the unused portion of the Settlement Fund being returned to KCL. The confidential termination agreement may be disclosed to the Court in camera should the Court so request. Notwithstanding any disclosure to the Court, the Parties agree to keep the content of the confidential termination agreement strictly confidential.

5.7. Class Counsel shall file with the Court all objections served on the Settlement Administrator within five (5) days after the deadline to file objections, or as otherwise directed by the Court. The Parties may serve and file responses to written objections any time prior to the Fairness Hearing, or as otherwise directed by the Court.

6. Notice Under the Class Action Fairness Act

6.1. Within ten (10) days following the filing of this Agreement for preliminary approval by the Court, the Settlement Administrator will serve or cause to be served notices of the

proposed Settlement upon the appropriate officials in compliance with the Class Action Fairness Act (“CAFA”), 28 U.S.C. § 1715.

7. Communications with Settlement Class Members, *Sheldon* Class Members and Policyowners

7.1. KCL will not be privy to or respond to inquiries between members of the Settlement Class or *Sheldon* Class and Class Counsel regarding the proposed Settlement or the Action. However, KCL may communicate with its agents and employees regarding the proposed Settlement or Action, and respond to inquiries from or on behalf of, agents, employees, insureds, beneficiaries, policyowners, and members of the Settlement Class or *Sheldon* Class, orally or in writing, regarding matters in the normal course of administering the Policies or in the ordinary course of business, including through appropriate agents or agencies. Notwithstanding the foregoing, prior to the Final Settlement Date, KCL shall refer substantive inquiries relating to participation or objections from members of the Settlement Class or *Sheldon* Class to Class Counsel.

7.2. Class Counsel will respond to inquiries from Settlement Class Members or *Sheldon* Class Members, subject to review and comment by KCL should Class Counsel deem such review and comment helpful or necessary. The Settlement Administrator may respond to inquiries received directly from members of the Settlement Class or *Sheldon* Class and may communicate with both Class Counsel and KCL about those inquiries.

8. Attorneys’ Fees, Costs, and Expenses

8.1. For the settlement relief provided to Settlement Class Members and *Sheldon* Class Members, Class Counsel will seek an award of attorneys’ fees in an amount not to exceed one-third of the Settlement Fund, and reimbursement of all costs and expenses in an amount not to exceed one million four-hundred thousand dollars (\$1,400,000.00), subject to apportionment between the Action and *Sheldon* Action and approval by the respective Court. Provided that neither Plaintiffs nor

Class Counsel seek attorneys' fees, costs, and expenses in excess of the amounts set forth in this Paragraph, KCL agrees to take no position on Plaintiffs' or Class Counsel's request for approval of attorneys' fees, costs, and expenses. The Parties agree that this provision was negotiated after negotiating substantive relief to the Settlement Class, including the amount of the Settlement Fund.

8.2. Class Counsel may move the Court for, and KCL agrees not to oppose, a service award payment to Plaintiffs or, if deceased, their estate, in an amount not to exceed \$100,000.00 each to compensate Plaintiff for their efforts on behalf of the Settlement Class. All such payments shall be paid from the Settlement Fund with no additional obligation of KCL to fund any additional amounts for such payments. Payment of Plaintiffs' Service Award, if any, shall be made to Plaintiffs or, if deceased, their estate, in addition to any settlement relief he may be eligible to receive.

8.3. KCL and Plaintiffs shall not be liable or obligated to pay any fees, expenses, costs, or disbursements to any person, either directly or indirectly, in connection with the Action or the Related Actions, this Agreement, or the Settlement, other than as expressly provided in this Agreement.

8.4. The Parties agree that the Settlement is not conditioned on the Court's approval of Plaintiffs' Service Awards or approval of the payment of Class Counsel's Fees and Expenses. Class Counsel will submit a separate order for the Court's consideration related to attorneys' fees, litigation costs and expenses, and Plaintiff's Service Awards.

9. Tax Reporting and No Prevailing Party

9.1. Any person or entity receiving any payment or consideration pursuant to this Agreement shall be solely responsible for the reporting and payment of any federal, state, or local income or other tax on any payment made pursuant to this Agreement, and KCL shall have no obligations to report or pay any federal, state, or local income or other tax on any payment made

pursuant to this Agreement, except that KCL shall provide any reasonably available data necessary for the Settlement Administrator to make any such reports. KCL, its counsel, and Class Counsel have not provided and shall have no responsibility for providing any opinion concerning the tax consequences of the proposed Settlement to any Settlement Class Member or *Sheldon* Class Member, nor are any representations or warranties in this regard made by virtue of this Agreement.

9.2. No Party shall be deemed the prevailing party for any purposes of this Action or the Related Actions.

10. Preliminary and Final Approval

10.1. On or before the date in which they file for preliminary approval in the Action, Plaintiffs, through Class Counsel, will submit, by joint stipulation of the Parties, a second amended class action complaint in the Action that: (a) conforms the class allegations to match the definition of the Settlement Class; and (b) adds each Plaintiff as a party plaintiff that Class Counsel deem necessary to effectuate approval of this Agreement. KCL may, but shall not be required to, file an answer to the second amended complaint in due course. In the event the Settlement is not approved and cannot be cured pursuant to Paragraph 11.1, the Parties agree that the second amended complaint shall be withdrawn and that the Action shall proceed as it was previously pled without prejudice to any Party. In the event any court in a Related Action raises any concerns regarding the Agreement, the Parties will work in good faith to resolve those concerns consistent with the terms and intent of this Agreement prior to or in conjunction with seeking preliminary approval in this Action.

10.2 Upon entry of the order granting preliminary approval in the Action, the Parties shall file a joint motion to transfer the pending cases in the Related Actions, other than the *Karr* and *Sheldon* actions, to the Honorable Beth Phillips and shall seek consolidation of those actions with the Action. In the event any court in a Related Action raises any concerns regarding the Agreement, the Parties will work in good faith to resolve those concerns consistent with the terms

and intent of this Agreement prior to or in conjunction with seeking final approval in this Action. It is the Parties' intent to effectuate a global settlement encompassing the Related Actions in the Action.

10.3. Prior to seeking preliminary approval in the Action, the Parties shall file a joint motion for limited remand of the *Sheldon* Action from the Missouri Court of Appeals for settlement-approval proceedings as described in this Agreement. The entry of an Order and Judgment in both the Action and the *Sheldon* Action are material conditions of the Settlement. In the event that the Settlement is not approved in either the Action or the *Sheldon* Action, such failure shall result in the immediate termination of all settlement proceedings in the other, unless the Parties agree in writing to the contrary. In the event of and following such a termination of the settlement proceedings, the Parties shall proceed as if no settlement had occurred in either this Action, the *Sheldon* Action, and the Related Actions, with the Parties being returned to their *status quo ante*.

10.4. Plaintiffs, through Class Counsel, will request that the Court enter a preliminary approval order in the form attached hereto as Exhibit D-1 (relating to the Action) and D-2 (relating to the *Sheldon* Action) and schedule the Fairness Hearings for purposes of determining the fairness of the Settlement, considering the motions for approval of Class Counsel's Fees and Expenses and Plaintiff's Service Awards, granting final approval of the Settlement and this Agreement, and entering each of the Orders and Judgments.

10.5. In the Action, Class Counsel will file a motion for Order and Judgment seeking certification of the Settlement Class, except for members who timely and validly seek exclusion, and final approval of the Settlement and a motion for Class Counsel's Fees and Expenses. In the *Sheldon* Action, Class Counsel will file a motion for Order and Judgment seeking final approval of the Settlement and a motion for Class Counsel's Fees and Expenses. Each motion for Order and

Judgment will include the Class List and a proposed Order and Judgment in a form agreed to by the Parties. The Orders and Judgments proposed by the Parties will, among other things: (a) approve the proposed Settlement as fair, reasonable, and adequate; (b) dismiss the Action and *Sheldon* Action with prejudice pursuant to Federal Rule of Civil Procedure 41 and Missouri Rule of Civil Procedure 67.01, with jurisdiction retained by each Court to enforce the terms of the Agreement related to the respective class members in each action; and (c) permanently enjoin all Settlement Class Members and *Sheldon* Class Members from filing, prosecuting, maintaining, or continuing litigation based on or related to the Released Claims. Class Counsel shall separately submit proposed orders with respect to Class Counsel's Fees and Expenses and Plaintiffs' Service Awards.

10.6. Within seven (7) days of the Final Settlement Date, Plaintiffs shall cause to be filed a stipulation of dismissal with prejudice signed by all Parties in each Related Action, including as applicable any Related Action currently pending on appeal. As a term of said stipulation, each Party shall bear its own costs and expenses.

11. Other Provisions

11.1. The Parties: (i) agree to cooperate in good faith to the extent reasonably necessary to implement all terms and conditions of the Agreement and to exercise their best efforts to fulfill the foregoing terms and conditions of the Agreement; and (ii) agree to cooperate in good faith to obtain preliminary and final approval of the Settlement and to finalize the Settlement. If preliminary or final approval of the Settlement is not obtained, the Parties agree to work in good faith to address any deficiencies in the Settlement and to submit a revised proposed settlement within thirty (30) days following the denial of preliminary or final approval of the Settlement; provided, however, that KCL shall have no obligation to agree to pay more than forty-five million dollars (\$45,000,000.00) for this aggregate Settlement in this Action and the *Sheldon* action.

11.2. Plaintiffs (other than Gregory Sheldon): (i) agree to serve as representatives of the Settlement Class; (ii) remain ready, willing, and able to perform all of the duties and obligations of a representative of the Settlement Class; (iii) are familiar with the allegations in the Action and Related Actions; (iv) has consulted with Class Counsel about the Action (including discovery conducted in the Action and Related Actions), this Agreement, and the obligations of a representative of the Settlement Class; and (v) shall remain representatives of the Settlement Class until the terms of this Agreement are fully implemented, this Agreement is terminated in accordance with its terms, or the Court determines that Plaintiffs cannot represent the Settlement Class. The Parties agree that should any Plaintiff be rendered medically incompetent or die before the Final Settlement Date, any further obligation of said Plaintiff as a representative of the Settlement Class shall be carried out by the remaining Plaintiffs or class members or by an alternative class representative approved by the Court.

11.3. Class Counsel covenants, represents, and warrants to KCL that: (i) Prior to Plaintiffs' execution of this Agreement, Class Counsel shall have explained the terms and effect of this Agreement to Plaintiffs; (ii) Class Counsel has not and will not make any undisclosed payment or promise to Plaintiffs for the direct or indirect purpose of obtaining Plaintiffs' consent to the Agreement; and (iii) Class Counsel will not use, distribute, give, sell, or transfer any materials obtained from KCL as a result of the Action or Related Actions for use in any other litigation or for any other purpose.

11.4. Class Counsel further warrants and represents to KCL that it has the full authority to enter into this Agreement on behalf of and bind the Settlement Class and *Sheldon* Class, other than those who validly opt out in the manner set forth above.

11.5. Class Counsel, the Settlement Class, the *Sheldon* Class, and KCL shall use their best efforts to conclude the Settlement and obtain the final Orders and Judgments. Class Counsel,

the Settlement Class, the *Sheldon* Class, and KCL agree that it is essential that this Settlement be prosecuted to a successful conclusion in accordance with all applicable provisions of law and the exercise of good faith on the part of Class Counsel, the Settlement Class, the *Sheldon* Class, and KCL. The Parties further represent, agree, and acknowledge that the Settlement is a fair resolution of these claims for the Parties and the Settlement Class and the *Sheldon* Class. Subject to their ethical obligations, neither the Parties nor their respective counsel shall make any statements suggesting the contrary, either before or after the Courts' approval of the Settlement.

11.6. The Parties agree that the amounts paid in Settlement and the other terms of the Settlement were negotiated in good faith, and at arm's length, and reflect a Settlement that was reached voluntarily after consultation with competent legal counsel.

11.7. No person or entity shall have any claim against Class Counsel, the Settlement Administrator, KCL's counsel, or any of the Released Parties based on actions taken substantially in accordance with the Agreement or further orders of the Court.

11.8. KCL specifically and generally denies all liability or wrongdoing of any sort with regard to any of the claims or allegations in the Action and/or Related Actions and makes no concessions or admissions of liability of any sort. Neither this Agreement nor the Settlement nor any drafts or communications related to them, nor any act performed or document executed pursuant to or in furtherance of the Agreement or the Settlement: (i) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Claim, or of any wrongdoing or liability of any of the Released Parties; or (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Released Parties in any civil, criminal, or administrative proceeding in any court, administrative agency, regulatory proceeding, or other tribunal. Nothing in this Paragraph shall prevent KCL or any of the Released Parties from using this Agreement and Settlement or the Orders and Judgments in any action against them to

support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, waiver, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion, issue preclusion, or similar defense or counterclaim.

11.9. Plaintiff and Class Counsel agree that if this Agreement fails to be approved, fails to become effective, is terminated, or otherwise fails to be consummated, or if there is no Final Settlement Date, the Parties shall retain, and expressly reserve, all of the rights they had before the execution of this Agreement to seek, maintain, oppose, or object to the maintenance of the Action and/or the Related Actions as a class action. Plaintiff and Class Counsel agree that nothing in this Agreement or other papers or proceedings related to the Settlement shall be used as evidence or argument concerning whether the Action or any Related Action may properly be maintained as a class action, whether the purported class is ascertainable, or whether Class Counsel or Plaintiff can adequately represent class members under applicable law. If the Agreement is deemed void or the Final Settlement Date does not occur, Plaintiff and Class Counsel agree not to argue or present any argument, and hereby waive any argument, that KCL could not contest (or are estopped from contesting) maintenance of the Action or any Related Action as a class action based on any grounds it had prior to the execution of this Agreement; and this Agreement shall not be deemed an admission by, or ground for estoppel against, KCL that class certification or any claims brought in the Action and/or any Related Actions are proper. If the Agreement is declared void, terminated or the Final Settlement Date does not occur, Plaintiff and Class Counsel retain all rights and arguments they had before execution of this Agreement to oppose KCL's positions and arguments. Each of the Parties will be restored to the place he, she, they or it was in as of the date this Agreement was signed with the right to assert in the Action or any Related Actions any argument or defense.

11.10. This Agreement does not, and will not be deemed to, create any fiduciary or similar relationship between KCL and any of its current, past, or prospective policy owners. This Agreement

does not impose, and will not be deemed to impose, any fiduciary or other similar duty on KCL, and KCL expressly disclaims any fiduciary or other similar duty. The duties and obligations assumed by KCL as a result of this Agreement are limited to those expressly set forth in this Agreement.

11.11. Punitive or exemplary damages are not available to any Settlement Class Member or *Sheldon* Class Member under the Settlement described in this Agreement.

11.12. The Parties agree, to the extent permitted by law, that all orders entered during the course of the Action or any Related Action relating to confidentiality of information shall survive this Agreement.

11.13. The Agreement may be amended only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest. No waiver of any provision of this Agreement or consent to any departure by either Party therefrom shall be effective unless in writing, signed by the Parties or their counsel, and any such waiver or consent shall be effective only in the specific instance and for the purpose for which it was given. No amendment to this Agreement pursuant to this Paragraph shall require any additional notice to the Settlement Class Members or *Sheldon* Class Members, including written or publication notice, unless ordered by the Court. The Parties may provide updates on any amendments to this Agreement on the Settlement Website.

11.14. This Agreement will terminate at the sole option and discretion of Plaintiffs or KCL if: (a) the Court or any appellate court with jurisdiction over any appeal taken from the Court rejects, modifies, or denies approval of any material portion of this Agreement; (b) the Court or any appellate court with jurisdiction over any appeal taken from the Court does not enter or completely affirm, or modifies, alters, narrows, or expands, any material portion of the Order and Judgment; or (c) if the *Sheldon* settlement not fully and completely effectuated for any reason. However, this Paragraph shall not apply to any modification, rejection, or denial of approval of

any portion of Plaintiffs' Service Awards or Class Counsel's Fees and Expenses. The terminating Party must exercise the option provided in this Paragraph to withdraw from and terminate the Settlement in writing no later than fourteen (14) days after receiving notice of the event prompting the termination; notwithstanding the conditional right of termination herein, the Parties agree to act in good faith, pursuant to Paragraph 11.1, to attempt to cure any impediment to this Settlement becoming effective. If the Agreement is so terminated, the Parties will be returned to their *status quo ante*.

11.15. The Parties agree to keep this Settlement confidential until it is submitted to the Court for preliminary approval except as otherwise contemplated and agreed by the Parties. The Parties shall work cooperatively to prepare an agreed statement that will be the only statement used at either Party's election to announce the Agreement or in response to press inquiries. The Parties and counsel shall refrain from making disparaging comments about any opposing Party related to the Action or its subject matter.

11.16. Each person executing the Agreement warrants that he or she has the full authority to do so.

11.17. The Agreement may be executed in one or more counterparts. All executed counterparts shall be deemed to be the same instrument. PDFs or copies of original signatures will have the same effect as the original. A complete set of executed counterparts shall be filed with the Court.

11.18. The Agreement shall be binding upon, and inure to the benefit of, the successors, heirs, and assigns of the Parties; but this Agreement is not designed to and does not create any third-party beneficiaries, either express or implied, except as to the Settlement Class Members and *Sheldon* Class Members.

11.19. The language of all parts of this Agreement, including the prefatory statement and Exhibits which are an integral part of the Agreement, shall in all cases be construed as a whole, according to its fair meaning, and not construed for or against either Party. No Party shall be deemed the drafter of this Agreement. The Parties acknowledge that the terms of the Agreement are contractual and are the product of negotiations between the Parties and their counsel. Each Party and his, her or its respective counsel cooperated in the drafting and preparation of the Agreement. No parol or other evidence may be offered to explain, construe, contradict, or clarify the terms of this Agreement, the intent of the Parties or the Parties' counsel, or the circumstances under which this Agreement was made or executed. The Parties acknowledge that there are no other agreements, arrangements, or understandings among or between them that are not expressed or referred to in this Agreement.

11.20. This Agreement shall be governed by and interpreted in accordance with the laws of the State of Missouri, without reference to its choice-of-law or conflict-of-laws rules, with the exception of the portion of Section 1.45 relying on California Civil Code § 1542, which shall be governed and interpreted in accordance with the laws of the State of California.

11.21. The Court in the Action shall retain exclusive and continuing jurisdiction with respect to implementation and enforcement of the Agreement and any discovery sought from or concerning objectors to the Settlement, except that the *Sheldon* Court shall retain exclusive and continuing jurisdiction with respect to implementation and enforcement of the Agreement related to the *Sheldon* Class Members and any discovery sought from or concerning objectors to the *Sheldon* portion of the settlement. All Parties submit to the jurisdiction of the Court for purposes of implementing and enforcing the Settlement under Paragraph 10.2.

11.22. Whenever this Agreement requires or contemplates that one Party shall or may give notice to the other, notice shall be provided by e-mail and next-day (excluding Saturday and Sunday) express delivery service as follows:

1. Why did I get this Class Notice?

KCL's records show that you own or owned a flexible premium adjustable life insurance policy issued by KCL (or were identified as the legal representative of such an owner) that was active on or after January 1, 2002. A Court authorized this Class Notice because you have a right to know about the proposed Settlement and all your options before the Court decides whether to approve the Settlement. This Class Notice explains the lawsuit, the Settlement, and your legal rights.

United States Chief District Judge Beth Phillips of the United States District Court for the Western District of Missouri is overseeing this case. The case is known as *van Zanten and Vittetoe v. Kansas City Life Insurance Company*, Case No. 4:25-cv-00095-BP. The people who sued, Peter M. van Zanten, Dwain E. Vittetoe, Robert R. Fine, and Larry A. McMillan, are called the "Plaintiffs." Kansas City Life Insurance Company is the Defendant and is referred to as "KCL" in this Class Notice.

The following is only a summary of the Settlement. A full description of the Settlement is in the Settlement Agreement. Nothing in this Class Notice changes the terms of the Settlement Agreement. You can read the Settlement Agreement by visiting www.kclcoisettlement.com.

2. What is this lawsuit about?

This lawsuit is about whether KCL's Cost of Insurance deductions were consistent with the policy language in the flexible premium adjustable life insurance policies issued by KCL ("Policies"). The Policies have a cash value, accumulated value, or contract value ("Accumulated Value") that earns interest or investment returns. The Policies expressly authorize KCL to take a Monthly Deduction from the Accumulated Value each month.

Plaintiffs allege that KCL violated the Policies in three different ways.

- First, the Policies state that the Cost of Insurance Rates used to calculate monthly Cost of Insurance Charges will be determined by KCL based on its expectations as to future mortality experience. Plaintiffs allege that KCL impermissibly used unauthorized and undisclosed non-mortality factors to determine the Cost of Insurance Rates.
- Second, Plaintiffs allege KCL failed to reduce its Cost of Insurance Rates when KCL's expectations as to future mortality experience improved.
- Third, while the Policies provide for a separate Monthly Expense Charge, Plaintiffs allege that KCL exceeds the fixed amount of this charge by using its expenses when determining Cost of Insurance Rates.
- Plaintiffs also allege KCL's actions relating to deductions from policy owners' Accumulated Values make it liable for conversion.

KCL denies all of Plaintiffs' claims, and asserts that, at all times, it complied with the plain language of the Policies.

You can read Plaintiffs' Amended Class Action Complaint, KCL's Answer, and other relevant documents at www.kclcoisettlement.com.

3. What if I received another notice about a similar class action lawsuit?

There have been seven lawsuits filed, including this case, against KCL regarding the allegations described in Question 2. Three cases were tried to jury verdicts a few years ago. The first case, *Meek v. Kansas City Life Insurance Company*, consisted of Kansas policy owners of universal life insurance policies issued by KCL, but was later amended to only include Kansas policy owners who incurred

Cost of Insurance or Expense Charges between June 18, 2014 and February 28, 2021. If you owned a policy issued by KCL in Kansas, you may have received a class notice in that lawsuit. The second case, *Karr v. Kansas City Life Insurance Company*, consisted of certain Missouri policy owners of universal life insurance policies issued by KCL. If you were one of these Missouri policy owners, you may have received a class notice and a recent payment in that lawsuit. The third case, *Sheldon v. Kansas City Life Insurance Company*, consisted of owners of the Century II policy that were issued in the state of Missouri. If you were one of these Missouri policy owners, you may have received a class notice. The amounts recovered after trial in *Meek* and *Sheldon* will be distributed separately from this Settlement. If you were a member of one of these classes, however, you may still be eligible and receive a settlement payment as part of this Settlement if you stay in the class. If you were a member of the *Sheldon* class, then your claims are subject to this Settlement and you should receive as separate notice regarding the *Sheldon* portion of the Settlement, which is being overseen by the Honorable Marty J. Seaton of the Sixteenth Judicial Circuit Court of Jackson, County, Missouri, which is where the *Sheldon* case was tried.

Four additional class action cases were filed on behalf of Arizona, California, Colorado, Illinois, Maryland, North Carolina, Pennsylvania, Texas, or Washington policy owners. One of those cases is *McMillan v. Kansas City Life Insurance Company*, Case No. 1:22-cv-011000-BAH, pending in the District of Maryland, on behalf of Maryland policy owners. Another case is *Fine v. Kansas City Life Insurance Company*, Case No. 2:22-cv-02071-MWC-PD, pending in the Central District of California, on behalf of California policy owners. If you were a policy owner in California you may have already received a class notice in the *Fine* case. **This Settlement and Class Notice supersedes any prior notice you may have received in that case.** If you previously requested exclusion from a certified class in the *Fine*, *Meek*, or *Karr* cases, you will need to request exclusion again to be excluded from the Settlement and this Class. This Settlement, if approved by the Court and the court in *Sheldon*, will resolve all of the cases.

4. Why is there a Settlement?

The Parties negotiated the Settlement with an understanding of the factual and legal issues that would affect the outcome of these lawsuits. During the lawsuits, Plaintiffs, through their attorneys, thoroughly examined and investigated the facts and the law relating to the issues in these cases.

Plaintiffs believe that the final outcome of the lawsuit and the other lawsuits identified in Question 3, if they were to proceed through trial and appeals, is uncertain. A settlement avoids the costs and risks of further litigation and provides immediate relief to the Settlement Class Members. Based on their evaluation of the facts and law, Plaintiffs and their attorneys have determined that the proposed Settlement is fair, reasonable, and adequate. They have reached this conclusion based on the substantial benefits the Settlement provides to Settlement Class Members and the risks, uncertainties, and costs inherent in the lawsuit.

While there were trials in the *Meek*, *Karr*, and *Sheldon* cases, there have been no trials or final appellate determinations on the merits of the claims or defenses in this lawsuit or the other lawsuits. There will be no trial or final determination on the merits of the remaining claims and defenses if the Court approves the Settlement. The Settlement does not indicate that KCL has done anything wrong or that Plaintiffs and the Settlement Class Members would win or lose if this lawsuit or any of the other lawsuits were to go to trial.

5. Who is included in the Settlement Class?

The Settlement Class includes all persons or entities who own or owned one of the approximately 88,000 Policies issued by KCL. "Policies" means all Better Life Plan, Better Life Plan Qualified,

LifeTrack, AGP, MGP, PGP, Chapter One, Classic, Century II, Rightrack (89), Performer (88), Performer (91), Prime Performer, Competitor (88), Competitor (91), Executive (88), Executive (91), Protector 50, LowerMax, Ultra 20 (93), Competitor II, Executive II, Performer II, or Ultra 20 (96) life insurance policies issued by KCL that were active on or after January 1, 2002, except for the Century II life insurance policies issued by KCL in the state of Missouri that were active on or after January 1, 2002. A Policy includes all applications, schedules, riders, and other forms that were specifically made a part of the Policy at the time of issue, plus all riders and amendments issued later. Policies include everything that was part of “The Policy,” as that term is defined in your Policy or Policies.

A separate settlement class covers all persons or entities who own or owned a Century II life insurance policy issued by KCL in the state of Missouri. This class is called the *Sheldon* class and their claims were part of a verdict that was on appeal at the time of the settlement. That settlement is being overseen by the Hon. Marty Seaton in the 16th Circuit Court of Jackson County, Missouri. If you own or owned a Century II policy issued in the state of Missouri, you should receive a separate notice setting out your rights and obligations related to that settlement. If you owned both a Century II policy issued in Missouri and another one of the policies listed above, you could be part of both settlement classes.

You are **not** part of the Settlement Class if you are KCL; any entity in which KCL has a controlling interest; any of the officers, employees, or board of directors of KCL; the legal representatives, heirs, successors, and assigns of KCL; anyone employed with Plaintiffs’ counsel’s law firms; or any Judge to whom this Action or Related Action is assigned or his or her immediate family.

If someone who would otherwise be a Settlement Class Member is deceased, his or her estate is a Settlement Class Member.

6. How can I confirm that I am in the Settlement Class?

If you are not sure whether you are included in the Settlement Class, you can get free help at www.kclcoisettlement.com, by calling 1-888-[insert], or by emailing [insert].

7. What does the Settlement provide?

KCL has agreed to fund a Settlement Fund of which \$40 million will be used to pay (1) all payments to Settlement Class Members; (2) Class Counsel’s attorneys’ fees and expenses in an amount to be approved by the Court; (3) any service awards to Plaintiffs (Peter M. van Zanten, Dwain E. Vittetoe, Robert R. Fine, and Larry A. McMillan) in an amount to be approved by the Court; and (4) the expenses incurred in administering the Settlement. The Net Settlement Fund equals \$40 million less the amounts described in (2) through (4) as approved by the Court.

If the Court approves the Settlement, settlement checks will be mailed to Settlement Class Members in amounts that will vary according to a Distribution Plan. The Distribution Plan is designed to provide each Settlement Class Member an approximate pro rata portion of the Net Settlement Fund in proportion to the amount of Cost of Insurance charges actually paid by each Settlement Class Member. There will also be a minimum cash payment and more paid where a Settlement Class Member’s Policy is still in force.

The full Distribution Plan is attached to Plaintiffs’ Motion Pursuant to Rule 23(e) for Preliminary Approval of Class Action Settlement and to Permit Issuance of Notice to Settlement Class and is available at www.kclcoisettlement.com.

You should consult your own tax advisors about the tax consequences of the proposed Settlement, including any benefits you may receive and any tax reporting obligations you may have as a result.

8. How do I participate in the Settlement?

Settlement Class Members do not have to do anything to participate in the Settlement. No claims need to be filed. Upon approval of the Settlement, a settlement check will be sent to every Settlement Class Member in the amount determined by the Settlement Administrator using the method described in Question 7. If someone who would otherwise be a Settlement Class Member is deceased, his or her estate is a Settlement Class Member. If your address changes, you should contact the Settlement Administrator to give them your new address.

9. When will I receive my settlement check?

The settlement checks will be sent to Settlement Class Members within 30 days after the Final Settlement Date, which is the date that the approval process is formally completed. It is a condition of the Settlement that both the Court in this case and the *Sheldon* Court approve the Settlement. The Final Settlement Date will not occur until both approvals have been given and are final. Settlement checks will be automatically mailed without any proof of claim or further action on the part of the Settlement Class Members. It could take several months to complete the Settlement process and depending on factors that cannot be predicted at this time. Updates will be made available to you on the Settlement Website, www.kclcoisettlement.com.

10. What happens if I do nothing?

If the Settlement is approved, you will receive a settlement check representing your share of the Settlement.

If the Settlement is approved, you cannot sue KCL or be part of any other lawsuit against KCL concerning the Released Claims, as that term is defined in the Settlement Agreement.

If your Policy is still in force, KCL is not required to lower its Cost of Insurance Rates and may continue to use its current Cost of Insurance Rates. KCL may also increase Cost of Insurance Rates if deterioration in its expectations as to future mortality experience is the reason for the increase.

The Settlement Agreement is available at www.kclcoisettlement.com and describes the claims that you are giving up. If you have any questions, you can talk to the law firms listed in Question 13 for free, or you can hire your own lawyer.

11. Can I exclude myself from the Settlement?

Yes. If you don't want a payment from the Settlement, and/or you want to keep the right to hire your own lawyer and sue KCL at your own expense about the issues in this case, then you may request to be excluded from the Settlement Class by sending a written notice to the Settlement Administrator. The notice must include the following information:

- The Settlement Class Member's name (or the name of the entity that owns the Policy), current address, telephone number, and e-mail address;
- Policy number(s);
- A clear statement that the Settlement Class Member elects to be excluded from the Settlement Class and does not want to participate in the Settlement in *van Zanten and Vittetoe v. Kansas City Life Insurance Company*, Case No. 4:25-cv-00095-BP; and,
- The Settlement Class Member's signature, or the signature of a person providing a valid power of attorney to act on behalf of the Settlement Class Member. If there are multiple owners of a Policy, all owners must sign the notice, unless the signatory submits a copy of a valid power of attorney to act on behalf of all then-current owners of the Policy.

Policy owners issued Policies in California or Maryland should carefully consider the rulings in the *Fine* and *McMillan* cases respectively before asking to be excluded. The rulings in those cases may remain binding upon you if you elect not to participate in this Settlement, including any adverse rulings issued by the courts. The cases will be dismissed with prejudice if this Settlement is approved.

If you want to exclude yourself from the Settlement, your written notice must be mailed to the Settlement Administrator at [insert], postmarked no later than DATE, 2025.

12. How do I tell the Court if I do not like the Settlement?

You can object to the Settlement if you do not like some part of it. The Court will consider your views. To object to the Settlement, you must serve a written objection in the case, *van Zanten and Vittetoe v. Kansas City Life Insurance Company*, Case No. 4:25-cv-00095-BP. The objection **must include** the following:

- The Settlement Class Member's name (or the name of the entity that owns the Policy), current address, telephone number, and email address;
- Policy number(s);
- A written statement of all reasons for the objection accompanied by any legal support for the objection (if any);
- Copies of any papers, briefs, or other documents upon which the objection is based (if any);
- A list of all persons who will be called to testify in support of the objection (if any);
- A list of any attorneys that represent you or assisted in the preparation of your objection.
- Whether you intend to appear at the Fairness Hearing and the identity of all attorneys (if any) who will appear at the Fairness Hearing on your behalf;
- Whether the objection applies only to you, to a specific subset of the Settlement Class, or to the entire Settlement Class; and
- The signature of you or your counsel.

You must mail your objection to the Settlement Administrator at [insert], postmarked no later than DATE, 2025.

13. Do I have a lawyer in this case?

Yes. The Court appointed the following lawyers as "Class Counsel" to represent all the members of the Settlement Class:

John J. Schirger, Joseph M. Feierabend Schirger Feierabend LLC 6811 Shawnee Mission Parkway, Suite 312 Overland Park, KS 66202 kclcoisettlement@SFLawyers.com	Patrick J. Stueve, Bradley T. Wilders, Lindsay Todd Perkins, Ethan M. Lange Stueve Siegel Hanson LLP 460 Nichols Rd., Suite 200 Kansas City, MO 64112 kclcoisettlement@stuevesiegel.com

If you have questions, you may contact these lawyers. You will not be charged for contacting these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

14. How will the lawyers be paid?

Class Counsel and the other lawyers who were involved in the pending case have not been paid for their work reaching a settlement in this case and the other pending, unresolved cases. In addition to thousands of hours of labor spent on this case, Class Counsel have expended expenses prosecuting this case. The Court will determine how much Class Counsel will be paid for fees and expenses. Class Counsel will seek an award for attorneys' fees of up to one-third of the Settlement Fund, plus reimbursement of Class Counsel's costs and expenses (no more than \$1,175,000), also to be paid from the Settlement Fund. You will not be responsible for payment of Class Counsel's fees and expenses.

Class Counsel will also request service award payments of up to \$25,000 for each of the following Plaintiffs for their service to the Settlement Class: Peter M. van Zanten, Dwain E. Vittetoe, Robert R. Fine, and Larry A. McMillan. These payments will also be paid from the Settlement Fund.

The Judge will determine any amounts to be paid to Class Counsel and to these four Plaintiffs. Class Counsel's motion seeking an award of attorneys' fees, reimbursement of costs and expenses, and service awards for the Plaintiffs will be available at www.kclcoisettlement.com.

15. When and where will the Court decide whether to approve the Settlement?

The Judge will hold a Fairness Hearing to decide whether to approve the Settlement and any requests for attorneys' fees and expenses, service awards to Plaintiffs, and the costs of settlement administration. You may attend and ask to speak, but you do not have to.

The Judge will hold the Fairness Hearing at [REDACTED].m. on _____, 202[REDACTED], at the United States District Court for the Western District of Missouri, 400 E. 9th Street, Courtroom 7A, Kansas City, MO 64106. The Fairness Hearing may be moved to a different date or time without additional notice being mailed to you, so please check www.kclcoisettlement.com for any updates. At the Fairness Hearing, the Judge will consider whether the Settlement is fair, reasonable, and adequate and in the best interests of Settlement Class Members and whether to award the requested attorneys' fees, expenses, service awards, and the costs of settlement administration. If there are objections, the Judge will consider them and will listen to people who have asked to speak at the Fairness Hearing. After the Fairness Hearing, the Judge will decide whether to approve the Settlement. We do not know how long the Judge's decision will take.

16. Do I have to attend the hearing?

No, but you or your own lawyer are welcome to attend the Fairness Hearing at your expense. If you send a timely objection but do not attend the Fairness Hearing, the Judge will still consider your objection.

17. May I speak at the hearing?

You may speak at the Fairness Hearing. If you file an objection, the objection must state your intention to appear and speak at the Fairness Hearing, including if you wish to appear through counsel, in which case your written objection must list the attorneys representing you who will appear at the Fairness Hearing.

18. If I cash the settlement check, will it affect my Policy(ies)?

No. Cashing the settlement check or not cashing the settlement check has no effect on your Policy(ies).

19. How do I get more information?

This Class Notice summarizes the proposed Settlement. More details are in the Settlement Agreement. You can find a copy of the Settlement Agreement at www.kclcoisettlement.com. You may also send your questions to the Settlement Administrator, in writing, at [insert] or call the Settlement Administrator at 1-888-[insert]. If your address has changed or will change, please notify the Settlement Administrator by [insert].

Be sure to regularly check www.kclcoisettlement.com for updates, as information contained in this notice, including dates, times, or locations, may be changed without additional notice being mailed to you.

EXHIBIT B-2

Class Notice of Kansas City Life Insurance Co. Cost of Insurance Class Action Settlement

Dear Class Member,

You have been sent this Class Notice of Kansas City Life Insurance Company Cost of Insurance Class Action Settlement (the “Class Notice”) because you were identified as a *Sheldon* Class Member in the class action lawsuit, *Sheldon v. Kansas City Life Insurance Company*, pending in the 16th Circuit Court of Jackson County, Missouri, Case No. 1916-CV26689. This Class Notice summarizes a recent Settlement that impacts your rights. A full description of the Settlement is contained in the Settlement Agreement, which includes the precise definitions of capitalized terms used in this Class Notice. The Settlement Agreement is available for you to read at www.sheldonkcllitigation.com. Please read it and this Class Notice carefully to understand your rights and obligations under the Settlement.

Records provided by Kansas City Life Insurance Company indicate that you are currently the owner or were the owner at the time of termination of a Century II variable universal life (“VUL”) insurance policy that was issued in the state of Missouri and active on or after January 1, 2002. Throughout this Class Notice, Kansas City Life Insurance Company is referred to as “KCL.”

The Settlement involves the Cost of Insurance that KCL deducted from the contract values of these life insurance policies. The Settlement provides that KCL will fund a *Sheldon* Settlement Fund in the amount of \$5 million, which will be used to pay (1) cash to *Sheldon* Class Members; (2) Class Counsel’s attorneys’ fees and expenses in an amount to be approved by the Court; (3) any service award to Plaintiff in an amount to be approved by the Court; and (4) the expenses incurred in administering the Settlement.

IN THE 16TH CIRCUIT COURT
OF JACKSON COUNTY, MISSOURI

If You Own or Owned a KCL Century II VUL Life Insurance Policy, a Class Action Lawsuit May Affect Your Rights

A COURT AUTHORIZED THIS NOTICE.
THIS IS NOT A SOLICITATION FROM A LAWYER.
YOU ARE NOT BEING SUED.

- A Settlement was reached with KCL in a class action lawsuit about the Cost of Insurance applied to these policies. If the Settlement is approved by the Court, you will automatically receive a payment. No further action is required.
- The Settlement includes current and former owners of Century II VUL policies issued in the state of Missouri, that were active on or after January 1, 2002 (*see* Questions 4 & 5 below).
- As part of the Settlement, *Sheldon* Class Members will be eligible to receive a portion of a cash *Sheldon* Settlement Fund funded by KCL; the total *Sheldon* Settlement Fund amount is \$5 million (*see* Question 7 below).

YOUR LEGAL RIGHTS AND OPTIONS IN THIS LAWSUIT	
DO NOTHING	Automatically receive your share of the Settlement Fund
OBJECT	Write to the Court if you don't like the Settlement
GO TO A HEARING	Make a request to speak in Court about the fairness of the Settlement

- These rights and options—and the deadlines to exercise them—are explained in this Class Notice.
- The Court in charge of this case still must decide whether to provide final approval of the Settlement. Settlement checks will be automatically issued to each *Sheldon* Class Member if the Court approves the Settlement and after any appeals are resolved. **You do not need to take further action to receive payment if you are eligible under the Settlement. Please be patient.**

1. Why did I get this Class Notice?

KCL's records show that you own or owned a Century II VUL policy that was issued by KCL (or were identified as the legal representative of such an owner) in the state of Missouri and that was active on or after January 1, 2002. A Court authorized this Class Notice because you have a right to know about the proposed Settlement and all your options before the Court decides whether to approve the Settlement. This Class Notice explains the lawsuit, the Settlement, and your legal rights.

Judge Marty Seaton of the 16th Circuit Court of Jackson County, Missouri is overseeing this case. The case is known as *Sheldon v. Kansas City Life Insurance Company*, Case No. 1916-CV26689. The person who sued, J. Gregory Sheldon, is called the "Plaintiff." Kansas City Life Insurance Company is the Defendant and is referred to as "KCL" in this Class Notice.

The following is only a summary of the Settlement. A full description of the Settlement is in the Settlement Agreement. Nothing in this Class Notice changes the terms of the Settlement Agreement. You can read the Settlement Agreement by visiting www.sheldonkcllitigation.com.

2. What is this lawsuit about?

This lawsuit is about whether KCL's Cost of Insurance deductions were consistent with the policy language in the Century II VUL life insurance policies issued by KCL ("Policies"). The Policies have a contract value ("Contract Value") that earns interest or investment returns. The Policies expressly authorize KCL to take a Monthly Deduction from the Contract Value each month.

Plaintiff alleges that KCL violated the Policies in three different ways.

- First, the Policies state that the Cost of Insurance Rates used to calculate monthly Cost of Insurance Charges will be determined by KCL based on its expectations as to future mortality experience. Plaintiff alleges that KCL impermissibly used unauthorized and undisclosed non-mortality factors to determine the Cost of Insurance Rates.
- Second, Plaintiff alleges KCL failed to reduce its Cost of Insurance Rates when KCL's expectations as to future mortality experience improved.
- Third, while the Policies provide for a separate Monthly Expense Charge, Plaintiff alleges that KCL exceeds the fixed amount of this charge by using its expenses when determining Cost of Insurance Rates.

KCL denies all of Plaintiff's claims, and asserts that, at all times, it complied with the plain language of the Policies.

You can read Plaintiff's Petition, KCL's Answer, and other relevant documents at www.sheldonkcllitigation.com.

3. What if I received another notice about a similar class action lawsuit?

Several policy owners have filed lawsuits, including this case, against KCL regarding the allegations described in Question 2. Three cases, including this case against KCL, were tried to jury verdicts a few years ago. The first case, *Meek v. Kansas City Life Insurance Company*, consisted of Kansas policy owners of different universal life insurance policies issued by KCL, but was later amended to only include Kansas policy owners who incurred Cost of Insurance or Expense Charges between June 18, 2014 and February 28, 2021. The second case, *Karr v. Kansas City Life Insurance Company*, consisted of certain Missouri policy owners of different universal life insurance policies issued by KCL. If you were one of these Missouri policy owners, you may have received a class notice and a recent payment

in that lawsuit. These lawsuits were resolved through all appeals and the amounts recovered after trial are being distributed separately and in addition to any settlement.

The third case, *Sheldon v. Kansas City Life Insurance Company* (this case), was also tried to a jury verdict and the Court entered judgment against KCL in the amount of \$4,095,897.75, plus prejudgment interest in the amount of \$2,038,042.27. But KCL had appealed the *Sheldon* judgment at the time of the Settlement. It is being resolved through this Settlement.

Four additional class action cases were filed on behalf of Arizona, California, Colorado, Illinois, Maryland, North Carolina, Pennsylvania, Texas, or Washington policy owners in the Central District of California, District of Maryland, and Western District of Missouri. **This Settlement and Class Notice supersedes all prior notices you may have received in the *Sheldon* Action related to your Century II VUL life insurance policy.** This Settlement, if approved by the Court and by the United States District Court in the Western District of Missouri, where the other actions are or will be pending, will resolve all the actions.

4. Why is there a Settlement?

The Parties negotiated the Settlement with an understanding of the factual and legal issues that would affect the outcome of these lawsuits. During the lawsuit, Plaintiff, through his attorneys, thoroughly examined and investigated the facts and the law relating to the issues in these cases.

Plaintiff believes that the final outcome of the lawsuit, if he were to proceed through appeals, is uncertain. A settlement avoids the costs and risks of further litigation and provides immediate relief to the *Sheldon* Class Members. Based on his evaluation of the facts and law, Plaintiff and his attorneys have determined that the proposed Settlement is fair, reasonable, and adequate. They have reached this conclusion based on the substantial benefits the Settlement provides to *Sheldon* Class Members and the risks, uncertainties, and costs inherent in the lawsuit.

While there was a trial in this case, there has been no final appellate determination on the merits of the claims or defenses in this lawsuit. There will be no final determination on the merits of the remaining claims and defenses if the Court approves the Settlement. The Settlement does not indicate that KCL has done anything wrong or that Plaintiff and the *Sheldon* Class Members would win or lose if this lawsuit were to proceed through the appeal.

5. Who is included in the *Sheldon* Class?

The *Sheldon* Class includes all persons or entities who own or owned one of the approximately 530 Policies issued by KCL. “Policies” means all Century II VUL insurance policies issued by KCL in the state of Missouri that were active on or after January 1, 2002. A Policy includes all applications, schedules, riders, and other forms that were specifically made a part of the Policy at the time of issue, plus all riders and amendments issued later. Policies include everything that was part of “The Contract,” as that term is defined in your Policy or Policies.

A separate settlement class covers all persons or entities who own or owned life insurance policies issued by KCL in the state of Missouri, as well as KCL life insurance policies issued in other states. That class will receive a different notice and is being overseen by the Hon. Beth Phillips in the United States District Court for the Western District of Missouri. If you own or owned another universal life insurance policy issued by KCL and covered by the separate settlement, you may receive a separate notice setting out your rights and obligations related to that portion of the Settlement. If you owned both a Century II VUL policy issued in Missouri and another one of the policies covered by that settlement class, you may be a member of both settlement classes. You are **not** part of the *Sheldon* or

any Settlement Class if you are KCL; any entity in which KCL has a controlling interest; any of the officers, employees, or board of directors of KCL; the legal representatives, heirs, successors, and assigns of KCL; anyone employed with Plaintiff's counsel's law firms; the owner of the policy bearing policy number 5033898; or any Judge to whom this Action or Related Action is assigned or his or her immediate family.

If someone who would otherwise be a *Sheldon* Class Member is deceased, his or her estate is a *Sheldon* Class Member.

6. How can I confirm that I am in the *Sheldon* Class?

If you are not sure whether you are included in the *Sheldon* Class, you can get free help at www.sheldonkcllitigation.com, by calling 1-888-[insert], or by emailing [insert].

7. What does the Settlement provide?

KCL has agreed to fund a Settlement Fund in the amount of \$5 million, which will be used to pay (1) all payments to *Sheldon* Class Members; (2) Class Counsel's attorneys' fees and expenses in an amount to be approved by the Court; (3) any service award to Plaintiff J. Gregory Sheldon in an amount to be approved by the Court; and (4) the expenses incurred in administering the Settlement. The Net Settlement Fund equals \$5 million less the amounts described in (2) through (4) as approved by the Court.

If the Court approves the Settlement related to the *Sheldon* Class and Judge Phillips approves the portion of the Settlement related to the Settlement Class, settlement checks will be mailed to *Sheldon* Class Members in amounts that will vary according to a Distribution Plan. The Distribution Plan is designed to provide each *Sheldon* Class Member an approximate pro rata portion of the Net Settlement Fund in proportion to the amount of damages with prejudgment interest allegedly suffered by each *Sheldon* Class Member. There will also be a minimum cash payment and more paid where a *Sheldon* Class Member's Policy is still in force.

The full Distribution Plan is attached to Plaintiff's Motion for Preliminary Approval of Class Action Settlement and to Permit Issuance of Notice to *Sheldon* Class and is available at www.sheldonkcllitigation.com.

You should consult your own tax advisors about the tax consequences of the proposed Settlement, including any benefits you may receive and any tax reporting obligations you may have as a result.

8. How do I participate in the Settlement?

Sheldon Class Members do not have to do anything to participate in the Settlement. No claims need to be filed. Upon approval of the Settlement, a settlement check will be sent to every *Sheldon* Class Member in the amount determined by the Settlement Administrator using the method described in Question 7. If someone who would otherwise be a *Sheldon* Class Member is deceased, his or her estate is a *Sheldon* Class Member. If your address changes, you should contact the Settlement Administrator to give them your new address.

9. When will I receive my settlement check?

The settlement checks will be sent to *Sheldon* Class Members within 30 days after the Final Settlement Date, which is the date that the approval process is formally completed. It is a condition of the Settlement that both the Court in this case and Judge Phillips approve the Settlement. The Final

Settlement Date will not occur until both approvals have been given and are final. Settlement checks will be automatically mailed without any proof of claim or further action on the part of the *Sheldon* Class Members. It could take several months to complete the Settlement process and depending on factors that cannot be predicted at this time. Updates will be made available to you on the Settlement Website, www.sheldonkcllitigation.com.

10. What happens if I do nothing?

If the Settlement is approved, you will receive a settlement check representing your share of the Settlement.

If the Settlement is approved, you cannot sue KCL or be part of any other lawsuit against KCL concerning the Released Claims, as that term is defined in the Settlement Agreement.

If your Policy is still in force, KCL is not required to lower its Cost of Insurance Rates and may continue to use its current Cost of Insurance Rates. KCL may also increase Cost of Insurance Rates if deterioration in its expectations as to future mortality experience is the reason for the increase.

The Settlement Agreement is available at www.sheldonkcllitigation.com and describes the claims that you are giving up. If you have any questions, you can talk to the law firms listed in Question 12 for free, or you can hire your own lawyer.

11. How do I tell the Court if I do not like the Settlement?

You can object to the Settlement if you do not like some part of it. The Court will consider your views. To object to the Settlement, you must serve a written objection in the case, *Sheldon v. Kansas City Life Insurance Company*, Case No. 1916-CV26689. The objection **must include** the following:

- The *Sheldon* Class Member's name (or the name of the entity that owns the Policy), current address, telephone number, and email address;
- Policy number(s);
- A written statement of all reasons for the objection accompanied by any legal support for the objection (if any);
- Copies of any papers, briefs, or other documents upon which the objection is based (if any);
- A list of all persons who will be called to testify in support of the objection (if any);
- A list of any attorneys representing you or who assisted in the preparation of your objection (if any);
- Whether you intend to appear at the Fairness Hearing and the identity of all attorneys (if any) who will appear at the Fairness Hearing on your behalf;
- Whether the objection applies only to you, to a specific subset of the *Sheldon* Class, or to the entire *Sheldon* Class; and
- The signature of you or your counsel.

You must mail your objection to the Settlement Administrator at [insert], postmarked no later than **DATE**, 2025.

12. Do I have a lawyer in this case?

Yes. The Court appointed the following lawyers as “Class Counsel” to represent all the members of the Sheldon Class:

John J. Schirger, Joseph M. Feierabend Schirger Feierabend LLC 6811 Shawnee Mission Parkway, Suite 312 Overland Park, KS 66202 sheldonkclitigation@SFLawyers.com	Patrick J. Stueve, Bradley T. Wilders, Lindsay Todd Perkins, Ethan M. Lange Stueve Siegel Hanson LLP 460 Nichols Rd., Suite 200 Kansas City, MO 64112 sheldonkclitigation@stuevesiegel.com

If you have questions, you may contact these lawyers. You will not be charged for contacting these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

13. How will the lawyers be paid?

Class Counsel have not been paid for their work in this case. After trial, the Court awarded Class Counsel one-third of the judgment as attorneys’ fees in light of the thousands of hours of labor spent on this case. As part of this Settlement, the Court will determine how much Class Counsel will now be paid for fees and expenses. Class Counsel will seek an award for attorneys’ fees of up to one-third of the *Sheldon* Settlement Fund, plus reimbursement of Class Counsel’s costs and expenses (no more than \$225,000), also to be paid from the *Sheldon* Settlement Fund. Any award made as part of this Settlement will replace the prior award. You will not be responsible for payment of Class Counsel’s fees and expenses.

Class Counsel will also request a service award payment of up to \$100,000.00 for Plaintiff J. Gregory Sheldon for his service to the *Sheldon* Class, which is an amount the Court previously awarded Mr. Sheldon following trial. This payment will also be paid from the *Sheldon* Settlement Fund. Any award made as part of this Settlement will replace the prior award. You will not be responsible for payment of Plaintiff’s Service Award.

The Judge will determine any amounts to be paid to Class Counsel and to the Plaintiff. Class Counsel’s motion seeking an award of attorneys’ fees, reimbursement of costs and expenses, and service award for the Plaintiff will be available at www.sheldonkclitigation.com.

14. When and where will the Court decide whether to approve the Settlement?

The Judge will hold a Fairness Hearing to decide whether to approve the Settlement and any requests for attorneys’ fees and expenses, service award to Plaintiff, and the costs of settlement administration. You may attend and ask to speak, but you do not have to.

The Judge will hold the Fairness Hearing at [REDACTED] m. on _____, 202[REDACTED], at the Jackson County Courthouse, 308 West Kansas – 1st Floor, Independence, MO 64050. Case No. 25-cv-00095-BP

**[PROPOSED] ORDER GRANTING UNOPPOSED MOTION FOR PRELIMINARY APPROVAL
OF CLASS ACTION SETTLEMENT**

Pending is Plaintiffs’ unopposed motion for preliminary approval of the Parties’ Settlement and request that the Court permit the issuance of Notice of the proposed Settlement to the putative Settlement Class (Doc. **X**).¹ The Parties have entered a Settlement Agreement dated **June X**, 2025 (the “Agreement”), which, together with the Exhibits to the Agreement, sets forth the terms and conditions for a proposed Settlement of this Action and for a dismissal of the Action with prejudice.² The Court **GRANTS** the motion and further orders as follows:

1. Jurisdiction. The Court has subject matter jurisdiction pursuant to 28 U.S.C. § 1332(d)(2), and personal jurisdiction over the Parties. Additionally, venue is proper in this District pursuant to 28 U.S.C. § 1391(b)(2).

2. Giving Notice of the Settlement to the Class is Justified. Federal Rule of Civil Procedure

¹ The Representative Plaintiffs are Peter M. van Zanten, Dwain E. Vittetoe, Robert R. Fine, and Larry A. McMillan. The Defendant is Kansas City Life Insurance Company. Defendant consents to the Court granting the relief sought. (See Doc. **X**.)

² All defined terms in this Order have the same meanings ascribed to them in the Agreement.

23(e) requires court approval of class action settlements. The first stage in the approval process requires the Court to determine whether giving notice of the proposed settlement to the putative settlement class “is justified by the parties’ showing that the court will likely be able to: (i) approve the proposal under Rule 23(e)(2); and (ii) certify the class for purposes of judgment on the proposal.” Fed. R. Civ. P. 23(e)(1)(B).

a. The Court will likely approve the Settlement.

The Court finds that it will likely approve the Settlement as “fair, reasonable, and adequate” under the relevant factors identified in Federal Rule of Civil Procedure 23(e) and the additional factors considered by courts within the Eighth Circuit. *See* Fed. R. Civ. P. 23(e)(2); *Van Horn v. Trickey*, 840 F.2d 604, 607 (8th Cir. 1988). The Settlement creates a Settlement Fund in the amount of \$45,000,000, of which \$40,000,000 will be allocated to the putative Settlement Class in this Action, and provides for settlement checks mailed directly to the Settlement Class Members without the need to submit a claim.³ The Settlement returns to class members a material portion of the actual cost of insurance overcharges they allegedly suffered under Plaintiffs’ theory of the case, as adjusted according to the Distribution Plan proposed by Class Counsel. This is an excellent result for the Settlement Class when compared to the very substantial litigation risks facing the Settlement Class Members going forward, considering the evidentiary complexity of the actuarial processes and damages calculations at issue, and statute of limitations challenges given the duration of the allegedly improper conduct. Further, the length of time and the expense that would be necessary to continue to litigate Plaintiffs’ cases through trials and appeals would be considerable.

In addition, the Court finds that: the Representative Plaintiffs and Class Counsel have provided adequate representation to the Settlement Class; the proposed Settlement, which is the product of several informal discussions subsequent to a full-day mediation session before a well-respected mediator, was

³ The remaining \$5 million of the Settlement Fund is allocated under the Settlement to settle claims asserted in *Sheldon v. Kansas City Life Insurance Company*, pending in the 16th Circuit Court of Jackson County, Missouri, Case No. 1916-CV26689, approval of which will be presided over by the Hon. Marty J. Seaton of that court. The Court focuses its analysis on the fairness of the Settlement relative to the Settlement Class Members.

negotiated at arm's length; and the Settlement treats the Settlement Class Members equitably relative to each other by awarding them a proportion of the Cost of Insurance and Monthly Expense Charge charges they each actually paid, in addition to providing equitable adjustments as to Settlement Class Members whose policies remain in effect and for those who have already received compensation through judgments in the Related Actions. The Court also finds that the Settlement's provision for an award of attorneys' fees of up to one-third of the Settlement Fund and reimbursement of litigation expenses supports approval of the Settlement because the Settlement is not conditioned on the Court's approval of the fees and expenses. The Court will separately consider the reasonableness of the requested fee and expense award upon further briefing by Class Counsel, on which Settlement Class Members will have the opportunity to express their views.

b. The Court is likely to certify the Settlement Class.

The Settlement Class means the Owners of approximately 88,000 Policies. The Policies are all Universal Life and Variable Universal Life policies issued or administered by Defendant under the following plans that were active on or after January 1, 2002: Better Life Plan, Better Life Plan Qualified, LifeTrack, AGP, MGP, PGP, Chapter One, Classic, Century II, Rightrack (89), Performer (88), Performer (91), Prime Performer, Competitor (88), Competitor (91), Executive (88), Executive (91), Protector 50, LewerMax, Ultra 20 (93), Competitor II, Executive II, Performer II, and Ultra 20 (96), except Century II policies issued in the State of Missouri.⁴

The Court finds that it will likely be able to certify the Settlement Class for purposes of entering judgment on the Settlement under Rule 23(a) and (b)(3). *See, e.g., Niewinski v. State Farm Life Ins. Co.*, No. 23-04159-CV-C-BP, 2024 WL 4902375, at *2 (W.D. Mo. Apr. 1, 2024) (certifying class for settlement

⁴ The Settlement Class excludes Defendant; any entity in which Defendant has a controlling interest; any of the officers, employees, or board of directors of Defendant; the legal representatives, heirs, successors, and assigns of Defendant; anyone employed with Plaintiffs' law firms; and any Judge to whom this Action or a Related Action is assigned, and his or her immediate family.

purposes); *Rogowski v. State Farm Life Ins. Co.*, No. 4:22-CV-00203-RK, 2022 WL 19263357, at *2 (W.D. Mo. Dec. 16, 2022) (same). The Settlement Class, which includes Owners of approximately 88,000 Policies, is sufficiently numerous. Also, because the Policies are materially identical and Kansas City Life's alleged conduct relevant to the Settlement Class Members' claims was uniform, the Representative Plaintiffs are adequate to represent the Settlement Class. In other words, their claims are typical of those of the Settlement Class Members. Further, the meaning of the Policies, and whether Kansas City Life's conduct complied with the Policies, are common, predominating questions, and a class action is a superior form of adjudication over individual lawsuits. Additionally, because this matter is being settled rather than litigated, the Court need not consider manageability issues that may be presented by a trial. There is also no issue with this Court certifying a multi-state class of insurance policy owners making similar claims on form policies for purposes of settlement because issues related to application of potentially different state laws do not pose manageability problems in this context. *See Advance Trust & Life Escrow Services, LTA v. North Am. Co. for Life and Health Ins.*, 592 F. Supp. 3d 790, 809 (S.D. Iowa 2022) (finding Rule 23(b)(3) satisfied for similar claims for proposed multi-state class of policy owners because "the relevant contract term was uniform.") (quoting *Custom Hair Designs by Sandy v. Cent. Payment Co.*, 984 F.3d 595, 601 (8th Cir. 2020)); *Advance Tr. & Life Escrow Servs., LTA v. ReliaStar Life Ins. Co.*, 2022 WL 911739, at *9 (D. Minn. Mar. 29, 2022).

3. **Class Counsel.** Plaintiffs' counsel, Stueve Siegel Hanson LLP and Schirger Feierabend LLC, have experience litigating complex cost-of-insurance overcharge cases and have been appointed as class counsel in dozens of class actions, including those asserting the same claims in other courts as are at issue here. *See, e.g., Meek v. Kansas City Life Ins. Co.*, 126 F.4th 577 (8th Cir. 2025). Accordingly, the Court finds these counsel are competent, experienced, and qualified to represent the proposed Settlement Class and therefore appoints these counsel as interim class counsel of the proposed Settlement Class pursuant to Rule 23(g)(3), pending certification of the Settlement Class, for purposes of issuing Class Notice.

4. **Settlement Administrator.** The Court appoints Analytics LLC ("Analytics") as the

Settlement Administrator, with responsibility for Class Notice and claims administration.

5. **Notice.** The proposed Class Notice program set forth in the Agreement and the declaration of Richard Simmons, and the Class Notice attached to the Agreement as Exhibit **A-1**, are hereby approved. Non-material modifications to the Class Notice, including insertion of hyperlinks and dates, may be made without further order of the Court so long as counsel for the Parties have reviewed and agree to the phrasing of the non-material modifications.

The Court finds that the proposed form, content, and method of giving Class Notice (a) will constitute the best practicable notice to the Settlement Class; (b) are reasonably calculated to apprise putative class members of the pendency of the Action, of the terms of the proposed Settlement, and their rights under the proposed Settlement, including their rights to object to or exclude themselves from the proposed Settlement; (c) are reasonable and constitute due, adequate, and sufficient notice to all putative class members; and (d) meet all applicable requirements of law, including Federal Rule of Civil Procedure 23(c) and the Due Process Clause of the United States Constitution. The Court further finds that the Class Notice is written in plain language, uses simple terminology, and is designed to be understandable by the putative class members.

The Settlement Administrator and the Parties are directed to carry out the Class Notice provisions of Section 4 of the Agreement.

6. **Exclusion from Class.** Any class member who wishes to be excluded from the Settlement Class must mail a written notification of the intent to be excluded from the Settlement Class to the Settlement Administrator at the address and in the manner provided in the Class Notice. Requests for exclusion must meet the opt-out deadline established by this Order and stated in the Court-approved Class Notice.

7. **Class Action Fairness Act Notice.** Within 10 days after the filing of the motion for preliminary approval and to permit issuance of notice, the Settlement Administrator shall serve or cause to be served a notice of the proposed Settlement on appropriate officials in accordance with the requirements under the Class Action Fairness Act (“CAFA”), 28 U.S.C. § 1715(b).

8. **Fairness Hearing.** A Fairness Hearing shall be held on _____, 2025, at _____.M. at the United States District Court for the Western District of Missouri at Kansas City, Missouri, in Courtroom 7A, to determine, among other things, whether: (a) this matter should be finally certified as a class action for settlement purposes pursuant to Fed. R. Civ. P. 23(b)(3) and (e); (b) the Settlement should be approved as fair, reasonable and adequate, and finally approved pursuant to Fed. R. Civ. P. 23(e); (c) this case should be dismissed with prejudice pursuant to the terms of the Agreement; (d) Settlement Class Members should be bound by the releases set forth in the Agreement; (e) the application for Class Counsel's Fees and Expenses should be approved pursuant to Fed. R. Civ. P. 23(h); and (f) the application for Plaintiffs' Service Awards should be approved.

9. **Objections and Appearances.** Any Settlement Class Member may appear and explain why the proposed Settlement should or should not be approved as fair, reasonable, and adequate, why a judgment should or should not be entered, why Class Counsel's Fees and Expenses should or should not be awarded, and/or why Plaintiffs' Service Awards should or should not be awarded. However, no Settlement Class Member or any other person shall be heard or entitled to contest such matters unless he or she has complied with the deadline established by this Order and the requirements for objections set forth in the Court-approved Class Notice. Any Settlement Class Member who does not properly make his or her objection shall be deemed to have waived any objection and shall forever be foreclosed from objecting to the fairness or adequacy of the proposed Settlement and to the award of Class Counsel's Fees and Expenses or Plaintiffs' Service Awards, unless otherwise ordered by the Court.

10. **Continuance of Hearing.** The Court reserves the right to adjourn or continue the Fairness Hearing and related deadlines without further mailed notice to the Settlement Class. If the Court alters any of those dates or times, the revised dates and times shall be posted on the website maintained by the Settlement Administrator. The Court may approve the Settlement, with such modifications as may be agreed by the Parties, if appropriate, without further notice to the Settlement Class.

11. **Schedule and Deadlines.** The Court orders the following schedule for the specified actions and further proceedings:

**[PROPOSED] ORDER GRANTING UNOPPOSED MOTION FOR PRELIMINARY
APPROVAL OF CLASS ACTION SETTLEMENT**

Pending is Plaintiff’s unopposed motion for preliminary approval of the Parties’ Settlement and request that the Court permit the issuance of Notice of the proposed Settlement to the Class.¹ The Parties have entered a Settlement Agreement dated **June X**, 2025 (the “Agreement”), which, together with the Exhibits to the Agreement, sets forth the terms and conditions for a proposed Settlement of this *Sheldon* Action and for a dismissal of the *Sheldon* Action with prejudice.² The Court **GRANTS** the motion and further orders as follows:

1. **Jurisdiction.** This Court has subject matter jurisdiction over Plaintiff’s claims pursuant to Article V, § 14(a), of the Missouri Constitution. And, jurisdiction is vested in the Circuit Court of Jackson County, Missouri in that the damages are in excess of the monetary jurisdictional minimum of the Circuit Court. This Court has general and specific personal jurisdiction over the Defendant because Defendant’s place of incorporation and principal place of business is in Missouri and this case arises out of Defendant’s activities in Missouri, including its

² All defined terms in this Order have the same meanings ascribed to them in the Agreement.

administration of Plaintiff's and the class members' life insurance policies, which were all issued in Missouri.

2. **Giving Notice of the Settlement to the Class is Justified.** Missouri Supreme Court Rule 52.08(e) requires court approval of class action settlements and requires notice of the proposed compromise to the members of the class.

The Court finds that it will likely approve the Settlement as "fair, reasonable, and adequate under Rule 52.08" considering the relevant factors such that sending notice to the Class Members in this case is warranted. *See Bachman v. A.G. Edwards, Inc.*, 344 S.W.3d 260, 266 (Mo. App. E.D. 2011). The Settlement creates a Settlement Fund in the amount of \$45,000,000, of which \$5,000,000 will be allocated to the *Sheldon* Class, and provides for settlement checks mailed directly to the *Sheldon* Class Members without the need to submit a claim. The Court notes that the Settlement Fund covers the *Sheldon* Class, as well as a separate federal class action that consists of different policy owners. The Court focuses its review on whether the Settlement Fund allocated to the *Sheldon* Class is fair, reasonable and adequate. Five Million Dollars is an amount greater than the actual cost of insurance overcharges with contractual interest and lost investment returns the *Sheldon* Class Members allegedly suffered under Plaintiff's theory of the case and that were awarded by the jury at the trial in this matter, as well as a material portion of the prejudgment interest that had accrued on those alleged damages. This is an excellent result for the *Sheldon* Class when compared to the very substantial risks facing the *Sheldon* Class Members on appeal considering the numerous issues Kansas City Life intends to raise, many of which have not been considered by Missouri appellate courts and which could potentially eliminate or substantially reduce the recoverable damages or require a new trial presenting the attendant risks associated therewith.

In addition, the Court finds that: the Representative Plaintiff and Class Counsel, who support the Settlement and believe it to be in the best interests of the *Sheldon* Class Members, have provided adequate representation to the *Sheldon* Class; the proposed Settlement, which is the product of several informal discussions subsequent to a full-day mediation session before a well-respected mediator, was negotiated at arm's length; and the Settlement treats the *Sheldon* Class Members equitably relative to each other by awarding them their share of the Settlement according to their actual damages and interest amounts, in addition to providing equitable adjustments as to *Sheldon* Class Members whose policies remain in effect. The Court also finds that the Settlement's provision for an award of attorneys' fees of up to one-third of the *Sheldon* Settlement Fund and reimbursement of litigation expenses supports approval of the Settlement because the Settlement is not conditioned on the Court's approval of the fees and expenses. The Court has already approved these awards as part of its final judgment but will separately consider the reasonableness of the requested fee and expense award upon further briefing by Class Counsel, on which *Sheldon* Class Members will have the opportunity to express their views.

3. **Settlement Administrator.** The Court appoints Analytics LLC ("Analytics") as the Settlement Administrator, with responsibility for Class Notice and claims administration.

5. **Notice.** The proposed Class Notice program set forth in the Agreement and the declaration of Richard Simmons, and the Class Notice attached to the Agreement as Exhibit A-2, are hereby approved. Non-material modifications to the Class Notice, including insertion of hyperlinks and dates, may be made without further order of the Court so long as counsel for the Parties have reviewed and agree to the phrasing of the non-material modifications.

The Court finds that the proposed form, content, and method of giving Class Notice (a) will constitute the best practicable notice to the *Sheldon* Class; (b) are reasonably calculated to

apprise *Sheldon* Class Members of the terms of the proposed Settlement and their rights under the proposed Settlement, including their right to object to the proposed Settlement; (c) are reasonable and constitute due, adequate, and sufficient notice to all putative class members; and (d) meet all applicable requirements of law, including Missouri Supreme Court Rule 52.08(e) and the Due Process Clauses of the Missouri and United States Constitutions. The Court further finds that the Class Notice is written in plain language, uses simple terminology, and is designed to be understandable by the *Sheldon* Class Members.

The Settlement Administrator and the Parties are directed to carry out the Class Notice provisions of Section 4 of the Agreement.

6. **Fairness Hearing.** A Fairness Hearing shall be held on _____, 2025, at _____ .M. at the 16th Circuit Court of Jackson County, Missouri, in Independence, Missouri, Division 10, to determine, among other things, whether: (a) the Settlement should be finally approved as fair, reasonable and adequate; (b) this case should be dismissed with prejudice pursuant to the terms of the Agreement; (c) *Sheldon* Class Members should be bound by the releases set forth in the Agreement; (e) the application for Class Counsel's Fees and Expenses should be approved; and (f) the application for Plaintiff's Service Award should be approved.

9. **Objections and Appearances.** Any *Sheldon* Class Member may appear and explain why the proposed Settlement should or should not be approved as fair, reasonable, and adequate, why a judgment should or should not be entered, why Class Counsel's Fees and Expenses should or should not be awarded, and/or why Plaintiff's Service Award should or should not be awarded. However, no *Sheldon* Class Member or any other person shall be heard or entitled to contest such matters unless he or she has complied with the deadline established by this Order and the requirements for objections set forth in the Court-approved Class Notice. Any *Sheldon*

Class Member who does not properly make his or her objection shall be deemed to have waived any objection and shall forever be foreclosed from objecting to the fairness or adequacy of the proposed Settlement and to the award of Class Counsel's Fees and Expenses or Plaintiff's Service Award, unless otherwise ordered by the Court.

10. **Continuance of Hearing.** The Court reserves the right to adjourn or continue the Fairness Hearing and related deadlines without further mailed notice to the *Sheldon* Class. If the Court alters any of those dates or times, the revised dates and times shall be posted on the website maintained by the Settlement Administrator. The Court may approve the Settlement, with such modifications as may be agreed by the Parties, if appropriate, without further notice to the *Sheldon* Class.

11. **Schedule and Deadlines.** The Court orders the following schedule for the specified actions and further proceedings:

Deadline for Kansas City Life to provide Notice List to Settlement Administrator	[21 days after Preliminary Approval Date]
Deadline for the Settlement Administrator to mail Court-approved Class Notice to Settlement Class	[45 days after Preliminary Approval Date]
